Access to the Exhibitors' Area is by user name and password. If you are a new exhibitor a user name and password will be sent to the "commercial contact" e-mail address you have indicated, once you have been assigned a stand. If you have previously exhibited at any of IFEMA's fairs you will be able to access the Exhibitors' Area by using your user name and password. If you cannot remember your old password, contact Línea IFEMA to receive one. This information is confidential. It is your responsibility to avoid improper use of it by third parties. IFEMA is in no way responsible for such use.

If the applicant company designates a third company for billing, the latter will also have a user name and password, which will be sent to the email address of the "contact person". In such cases only the billing company will be able to access service contracting in the Exhibitors' Area and the full statement of account. The applicant company, for its part, will be able to consult the services hired for it by the billing company and access the services available to exhibitors in the Exhibitors' Area.
